From A Grateful Heart ~

“There are different spiritual gifts but the same Spirit;
And different forms of service but the same Lord God;
There are different fruits of the Spirit but the same God
Who produces all of them in everyone who believes.
To each individual the Holy Spirit gives some gifts to bear fruit.”

“As a body is one though it has many parts,
And all parts of the body, though many, are one body,
So also, all of us belong to the one body of Jesus Christ.”

(1 Corinthians 12: 4-7, 12)

The “Gift of Tongues” is the work of God informing us in our Understanding!

And they were all filled with the Holy Spirit and began to speak in different tongues, as the Spirit enabled them to proclaim. Now there were devout Jews from every nation under heaven staying in Jerusalem.

At this sound, they gathered in a large crowd, but they were confused because each one heard them speaking in his own language. Yet we hear them speaking in our own tongues of the mighty acts of God." (*Acts of the Apostles: Chapter 2*)

This weekend we will hear the incredible story of how the coming of the Holy Spirit makes the word of God heard and understood when spoken, even when the listener understands a different language. The gift of tongues is not the ability to speak a language you do not understand. **Scripture was meant to be understood!**

What we hear in the *Acts of the Apostles* this week is how God, The Holy Spirit, gives the gift of understanding to people – even if they are of different cultures or languages. The Latin word for tongue is: Lingua. The Spanish word is: Lengua and French word is: Langue.

Language is the use of the “tongue” to speak! The “Gift of Tongues” is God’s way of overcoming the language barrier when it comes to hearing and understanding His Word – The Word of God!

(continued on next page)

(from previous column)

When Jesus gave His word to be preached he also gave those who hear it the gift of understanding or enlightenment to the message given. Now the authority for interpreting scripture (“God’s Holy Word”) is given by God - ONLY to the Church. The Church that Jesus built was meant to unify the faithful and to hear the same message of scripture. So, the gift of tongues is not in the voice of the messenger – but rather in the ears of the listener – the one who receives God’s Word is the one who understands by the gift of Tongues. Since the listener may understand a different language – the Holy Spirit bridges the gap of culture and language by letting the Word be understood even if the preacher is not using their language.

God’s **GIFT OF TONGUES** – is now seen as a gift to the listener – not the preacher! Human beings cannot do that! Only The Holy Spirit can give understanding where we can not.

May the Heart of The Savior Bless you!
Fr. Patrick Nelson, SDS

The Parish is Invited ORDINATION

Deacon Paul Wilkin SDS, Salvatorian, joyfully announces and requests the honor of your presence for the Ordination of:

Paul Wilkin SDS, Virginus SDS, Patric SDS, and Octavio SDS to the Sacred Priesthood of Jesus Christ through the invocation of the Holy Spirit and imposition of hands by the Most Reverend Jeffrey Robert Haines, Auxiliary Bishop of Milwaukee

Sunday, June 23rd at Noon
Mother of Good Counsel Parish
6924 W Lisbon Ave, MKE, WI 53210

Deacon Paul Wilkin grew up in Cincinnati, Ohio within a Catholic family of eight children separated by 14 years, he is #7 of 8. He has an inclination for geography and art. In his youth he played baseball, in high school he ran track, played in the band was on city youth/adult soccer teams for years. He has earned an associate's degree in commercial art before returning to college for night classes to earn his bachelor's degree in graphic design.

Paul lived in the British Virgin Islands for a year then on rural Vashon Island near Seattle, WA for 18 years which is accessible only by ferry boat. Before the Salvatorians, Paul was the owner and graphic designer of a sole proprietorship full-service marketing and design firm – Gargoyle Design – for 17 years. His hobbies include: photography, motorcycle touring, woodworking, gardening, genealogy, fossil hunting and preference for old time radio programs, movies and TV shows.

Paul rediscovered his faith when Fr. Richard R. Roach SCJ, retired Marquette Theology scholar, gave "homi-lectures" at mass in the small rural Vashon Island, WA church. The spark towards a religious life calling came one night while he was researching companies in which to submit his resume (edited version, unedited version ask Paul). After four years of varied discernment the Salvatorians were appealing because of their international presence and as Paul said, "With my diversity of being a jack-of-all-trades" I'm drawn to the Salvatorian words 'by all ways and means.' "

Paul joined the Salvatorians in 2013 to discern his calling as a Priests or as a Brother. Called to priesthood, the Salvatorian formation process would take seven years from Candidature, Novitiate, First/Temporary profession, Final profession, Transitional Diaconate through Ordination to the Priesthood. Paul has had diverse ministries both locally as well as three summers in Vietnam and a year in Manila, Philippines studying Theology with other Salvatorian seminarians. He has one more semester of seminary after Ordination and feels called to be a Salvatorian Apostle and to minister in Vietnam or Asia.
