

St. Margaret Mary Parish Community

Dear Parishioners and Friends,

The Archbishop has considered the safety of everyone and has restricted gatherings to avoid the spread of the Covid-19 virus epidemic.

“Social Distancing” is the strongest preventative that may help prevent the spread of this virus. That means we need to keep a 6 foot distance between each other since that is what the CDC is recommending, among other things. This means that gathering of MASS and LITURGY will be a possible threat to the health of our congregation.

What we know today is: As ALL MASSES and OTHER LITURGIES ARE CANCELLED until April 3. **I still want to be available to you!**

I live in the Rectory (Heart of the Savior Rectory), so I am close by.

You can call the cell phone I always have with me: 414-581-2397. If even just to talk. Call me in need of Sacraments for the Sick or Confession.

Hopefully, we can resume our regular schedule soon. Please Pray!

The Archbishop will let us know what is to be his recommendations for Holy Week and Easter this year. It pains me greatly to suspend Mass and the Sacraments for a time. Please be patient and pray for those infected.

May God Bless You,

Fr. Patrick Nelson, SDS

Parish Administrator
