From A Grateful Heart

SPEAK, LORD, YOUR SERVANT IS LISTENING!

“And people brought to him a deaf man who had a speech impediment and begged him to lay his hand on him.
He took him off by himself away from the crowd.
He put his finger into the man’s ears and, spitting, touched his tongue; then he looked up to heaven and groaned, and said to him,
“*Ephphatha!*” that is, “Be opened!”
And immediately the man’s ears were opened,
his speech impediment was removed, and he spoke plainly.”

(Mark 7:32-35)

Do we listen to God speak to us or are we deaf and dumb in that we can’t speak what God has said to us?

The Gospel this week shows Jesus curing a deaf and dumb man. He gives him back his hearing and ability to speak. If read as a miracle cure we can miss the reason Mark recounts this event.

can’t be lived if we only depend on devotions to express the faith in Jesus.

God spoke to us of salvation in Jesus Christ, His Word was made flesh and he walked among us. Now, he lives forever in the CHURCH He established on the foundation (*patrim*, Peter) of the Apostle.

Our inability to see or hear God is due in part to all the distractions and contradictions of our culture. We have become deaf to Jesus, even as we adore him. We can’t hear him over the culture and our constant petitions. We talk to him but, don’t listen! This is why in Mark’s Gospel Jesus takes the mute *away from the crowd*. Only then, can the man hear and see what Jesus has for him.

Us too! **Let be not just listeners but also doers of the Word of God.** (James 1:22).

May our Risen Savior bless you,

Fr. Pat Nelson, SDS

Remember, Jesus is THE WORD OF GOD. Not descriptive words as we use it. Jesus is the Creator, the Source of Life, the image of the invisible God made flesh. Now we see him open the ears of a man born deaf. Then, he gives the man the ability to speak.

This event is symbolic and real in time. The event symbolizes the deafness of the religious leaders to the saving message of God. Many who follow him see him as just a healer or a wise Rabbi (teacher). This problem exists today!

We see Jesus as God in the Blessed Sacrament and are unattached to use that gift of God in our lives because we are deaf to his message of salvation! We can read the Bible and then we are dumb, unable to speak the truths God gives us in his Son. We fail to evangelize. Remember, Jesus commanded in Mark 16:15 - that we: **“Go into all the world and proclaim the good news to the whole creation.”**

The reason we find it so difficult to talk about our faith or to respond to those who criticize the Catholic Church is that we don’t read the Bible and we don’t read the “authoritative teachings of the Church”. So, **we are blind** to what Jesus said and **deaf to understand** it. The faith

Ask Fr. Pat

Pretend you are a first time visitor to a Catholic Mass. Could you explain why we do what we do or would your response be, “That’s the way we’ve always done it.” If you have questions about the Catholic faith, about Catholic rituals, about Catholic Tradition, or about Scripture, ask Fr. Pat! If you are curious, others are, too!

Questions and answers may be featured in upcoming bulletins. Submissions will always remain anonymous.

Little Library

Thank you to the generous contributions of our parishioners, the Little Library, for children 0 to 5th grade, is here!

There is plenty of room for the library to grow. Please continue to drop off new or gently used children's faith books and/or contact Jacque Kelnhofer (see cover) to arrange a directed donation or gift card.

How Does the Library Work?

*This is a library with no check-outs or check-ins!
Choose a book when you arrive - Return it before you leave*

For young children who can not yet read, and for children who would like to share the story with their families, you are welcome to take the book home and return it the following weekend. We encourage parents to use these books as an opportunity to share the Catholic faith with their children. It's also a wonderful way to begin modeling how we carry the knowledge we receive at church and carry it into our world!

Inside each book is a "Take Home Book Mark" that explains how the library works and includes a variety of prayers and formation on the back. Collect them all!

Haiti Earthquake Relief Donation

Our people are so generous when we ask for assistance for global disasters. In Haiti, the people are once again in a disastrous situation. The earthquake destroyed homes, infrastructure and businesses, and displaced tens of thousands of people throughout the southern region, Grand Sud. In addition, Tropical Storm Grace passed over southern Haiti on August 16, causing additional hazards and complicating the search and rescue efforts.

Please consider making a financial contribution to provide support.: <https://archmil.givingfuel.com/haitian-relief-2021>.

AML is rare and because of this, it is underfunded. 100% of the ride's proceeds will benefit Leukemia Lymphoma Society. Contact Kevin at ostrich@wi.rr.com to make a donation or learn more about participating in the ride.
