

Summer Formation

~ Small Group Study ~

Study Facilitated by Jacque Kelnhofer, Pastoral Coordinator

How should Christians respond to contemporary challenges? Where do we turn for moral norms to guide us in these discussions? Catholic social teachings guide us in applying the Gospel to today's challenges, helping us to answer the question: 'What does it mean to be a disciple of Jesus Christ facing these problems in this time and place?' Catholic social teachings provide moral principles and framework for how we are to live our communal and social lives.
